ASSOCIATION

Welcome to AFA!

The Air & Space Forces Association is an independent, non-profit association that has been serving Airmen, Guardians, and their Families since 1946.

Our mission is to promote dominant U.S. Air and Space Forces as the foundation of a strong National Defense; to honor and support our Airmen, Guardians, and their Families; and to remember and respect our enduring Heritage.

Whether your background is military or civilian, journalism or policy, education or engineering—AFA's mission has a role for you.
